Education

Bachelor In Computer Science And Engineering
from Khwaja Younus Ali University

2022 - 2025

I am currently doing a Bachelor's degree in Computer Science and Engineering at Khwaja Younus Ali University, where I am in the final semester of my third year. And hopefully I'll complete my bachelors degree by December 2025.

Foundation In Science from Segi University

2018 - 2019

Completed my college level studies in Segi University, Malaysia as an international student.

Responsive Web Design from FreeCodeCamp.com

April-6, 2024

Completed a comprehensive Responsive Web Design course, investing approximately 300 hours of dedicated effort on my work. This extensive course not only equipped me with the technical know-how of creating responsive and visually captivating websites but also instilled in me a solid understanding of user experience principles and best practices. From mastering HTML, CSS, and

> JavaScript to exploring advanced frameworks like Bootstrap and React, every aspect of web development.
